INFORMAL MEMORANDUM FOR: Deputy Director for Intelligence

SUBJECT: SOVA Briefing Note on Soviet
Passenger Movements to Cuba

[] wrote this account of her concerns about some Soviet passenger ships and planes late today after a long afternoon at the Pentagon, which prevented her from seeing the material earlier.

She pleads for some time tomorrow before going into print so that some holes in our information can be filled.

In agreeing, I told her I would give [] a copy so that he could simply mention downtown that we are watching some Soviet ships with an unusual number of passengers and will report in the PDB shortly.
